

I personally closed \$100K in brand acquisition at EVO Marketing. My experience includes prospect research, qualification, sales conversations and follow-up. In a separate client project, I applied that sales knowledge to automated outreach to save time on repetitive messaging.

SELECTED RESULTS

\$100K personally closed in brand acquisition at EVO Marketing	44.4% conversation rate in the automated outreach project: 99 of 223 cold contacts	113 automated conversations across all channels	393 automated opening messages to 223 cold contacts

EXPERIENCE

Outbound Setter — Theory Labs, Toronto2026 – Present

- Run cold outreach for an AI video studio selling to SaaS, crypto and funded startups, targeting **20–30 personalized messages a day** across Instagram, X and email.
- Research every account before contact and write the opener plus a seven-touch follow-up cadence, so no lead sits more than three days without a next touch.
- Own CRM accuracy end to end — stage hygiene, reply handling, and the weekly pipeline report to the founder.

Brand Acquisition & Sales — EVO MarketingMar 2025 – Present

- Personally closed **\$100K in brand acquisition** at EVO Marketing, alongside outreach, qualification and follow-up.
- Built the lead-filtering criteria that kept unqualified prospects off closers' calendars.
- A/B tested outreach scripts weekly against live booking data rather than opinion.

Client project — AtraxAi2026

- Applied my sales knowledge to automate repetitive outreach and replies for a client. Reviewed conversations to improve qualification and recognize when a prospect was ready for the next step.

Business Development — GTA luxury real-estate brokerage (client)2026

- Supported a client's business-development work with creative approaches to prospect research and outreach.
- Targeted referral fees, co-listings and pocket listings across Toronto, Mississauga, Oakville and Vaughan.

Appointment Setter — Window cleaning businessJan – Mar 2025

- Booked service and installation appointments through low-pressure outbound to homeowners for a creator-run service business.
- Recovered dormant leads with structured follow-up sequences to keep the pipeline full.

Business Development & Deal Facilitation — Independent clientsJan 2025 – Present

- Ran full deal cycles solo, first contact to signed agreement, mediating between businesses and service providers across several niches.
- Built trust with senior decision-makers through direct, consistent follow-through.

Barista & Customer Service — Starbucks, Toronto2024 – Present

- High-volume service with accuracy under rush conditions; POS and cash handling; supported onboarding for new partners.
